

# Copyshine

by Making our Mark

The Forest of Dean Sculpture Trust are delighted to see that Echo, a new sculpture on the Trail by Annie Cattrell, has inspired the **Making our Mark** group to develop their own exhibition **Copyshine** for you to enjoy. Complementary to Echo, these delicate casts are a subtle & tactile response to the landscape. Thanks go to the team of young people and facilitators for sharing their exploration with us.

Carolyn Black Projects Director

## Opening Times

Saturday 19th July 3-6pm

Sunday 20th July 10am-3pm
